Olio & Aceto Food Truck's popular menu finds a permanent home with the opening of Olio & Aceto Café in Chapel Hill this July. The mother-and-daughter team, **Glenda** and **Suzie Keenan**, that brought you **Blue Sky Oil and Vinegar** and Olio & Aceto Food Truck open the new café on **Elliott Rd.** on July 12.

Customers had the opportunity to invest in the new café by donating one-of-a-kind chairs for the dining room in exchange for sandwich bucks. The unique chairs create an eclectic look for the new café.

Chefs Suzie Keenan and **Megan Olerich** are inspired by the oils and vinegars from Blue Sky Oil and Vinegar of Chapel Hill and Durham, and use those products extensively to bring fresh flavors and great tasting creations.
