**thentherewasfood** Checked out Federalist Pig on a Saturday around 5 and didn't have to wait long despite the steady traffic of people. Shared a sampler platter of ribs, pork shoulder, and brisket (sides: mac and cheese, fries, Texas toast) Hands down the best bbq in the city. The garlic bbq sauce was a great accompaniment, even though the meat was great on it's own. I would 100% go back and have them cater my next party! (Also, the fries were amazing, and I don't even like fries that much.) Go early in the day before they run out of meat!! .....
